Title: Regarding establishment of a Bench of the Kerala High Court in Calicut.

SHRI K. MURALEEDHARAN (CALICUT): Mr. Chairman, Sir, I would like to raise an important matter regarding the establishment of a Bench of the Kerala High Court in Calicut.

Calicut is the central point of Northern part of Kerala which includes six districts. Before the formation of Kerala State, this area was in the erstwhile Madras State. Since then this request is pending.

I am very happy that the hon. Minister of State for Law, Justice and Company Affairs is sitting here. He knows the facts very well. Most of the writ petitions before the hon. High Court of Kerala are from this area. So, if a new Bench is constituted in Calicut, it will be beneficial to half of the Kerala State.
